Škofja Loka – European Capital for 3 days

We are looking forward to welcome you as our guests in Škofja Loka next week. In this newsletter we are sending you some details about the transportation to the event, at the event and after the event.

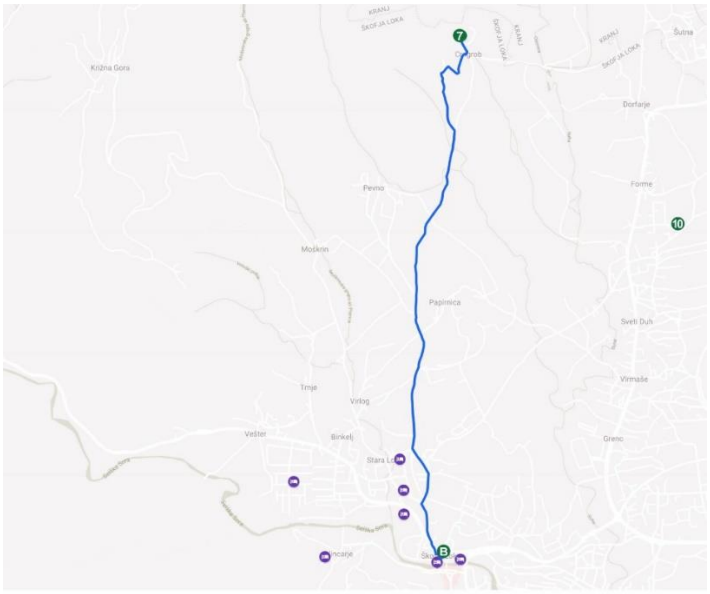

ARRIVALS

In the Newsletter No. 3 you have received details about your accommodation. As you are coming to Škofja Loka via different means of transport, please check the following instructions as to how you will be able to reach your accommodation. Please mind that we can only organise your transfers if we have all the necessary information, so if you have not done so, please send us all details about your arrival times and place.

Arrival by car

Participants arriving by car should go directly to their hotels. Further transfers will be either by foot or by bus, depending on the distance of the event venue from your hotel. In the Newsletter No. 3 we already supplied the map with your hotel location.

For the guests staying at the hotel **Pri Marku** in **Crngrob,** please note that there will be some obstacles due to the undergoing road reconstruction. From 8.30 – 17.00 the road will be closed for traffic and you will need to take a detour, as shown on the Map 1:
